Task 1: Fill in the gaps with 8 words from the box below (there are 2 extra words) (4mks):

attractions / recreationally / avoid / paid / sustainable / vacation /  
arose / funds / heading / curious

Looking for something different from the usual range of museums, beach resorts, and restaurants, many foreign tourists are increasingly turning to places that may at first seem to be the antithesis of the typical ❶ destination: slums. Far from being viewed as off-limits, no-go-zones that outsiders would be wise to ❷, some slum-like areas in cities like Mumbai, Johannesburg, and Rio de Janeiro have become genuine tourist ❸ bringing in tens and even hundreds of thousands of ❹ visitors each year. Whether called a slum, or a ghetto, outsiders ❺ visiting these typically impoverished places is nothing new. There are records of middle and upper class Londoners ❻ over to the East End. Meanwhile, eager visitors began venturing into the Lower East Side of Manhattan. More recently, following the global attention ❼ to the anti-apartheid movement in South Africa, many tourists have begun travelling to see the places where this struggle first ❽; and “slum tourism” has developed into a formalized commercial offering.
