**Task 2: Put the bracketed items in the right tense / form(4mks):**

Tourism is one of the world's fastest-growing industries for many countries. It is one of the most 1(remark) economic and social phenomena. The world 'tour' 2(derive) from the Latin word tornus, meaning 'a tool for making a circle'. Tourism may be defined as the movement of the people from their normal place of residence to another place for the sole purpose of leisure and pleasure. The Rome conference on tourism in 1963 3(define) tourism as 'a visit to a country other than one's own or where one usually 4(reside)'. This definition, however, did not take into account domestic tourism, which 5(become) an important money-spinner and job generator for the hospitality industry. According to the Tourism Society of Britain, "tourism is the temporary short-period movement of people to destination outside the places where they 6(normal) live." Moreover, the 7(develop) of technology and transportation infrastructure, such as jumbos jets, low-cost airlines, and more 8(access) airports have made tourism affordable and convenient.
